Dear Mrs. Vassileva,

Re: Participation in seminars series: MANAGING A SUCCESSFUL ORGANIZATION & BECOMING A CUSTOMER-DRIVEN ORGANIZATION

I would like to express my satisfaction from the seminars organized by BEIED in which I participated. Mr. Sedlik delivery is so engaging that one can lose all track of time. Definitely he is a very effective speaker and educator.

The programs of the seminars are precisely focused on the most interesting and important aspects of the management and sales activity. The participants not only enjoy the presentation of the lecturer, but do learn about very useful tools and “secrets”, which can be immediately implemented in their practice.

It is my pleasure to recommend BEIED seminars to all my colleagues, friends and partners without reservation.

Sincerely,

Emil Kaikamdjozov
Managing Director
