## Reference letter

ATTN: Ms. Pepa Vassileva  
Managing Director  
BEIED - Business Education for International Economic Development

Dear Pepa,

Following your request for a reference for the "Advanced executive management seminar" hold by Mr. Earl Sedlik in November 2005, I will share with a big pleasure my views. To take part in the seminar was a remarkable experience for me. I learnt very practical advices which are of great help in my daily work. Mr. Sedlik is a charming speaker with a lot of valuable practical experience and I would love to hear him again in a workshop organized by BEIED.

I will be available for any further reference.

Sincerely,

  
Reny Mitkova
